About Us

Radiant Containers Pvt. Ltd. is a leading manufacturer of rigid plastic packaging since 2009, offering a variety of stock and custom packages for liquid materials. Working for industries such as paint, pharmaceuticals, chemicals & food etc.

Our focus is on designing packaging that enhances your product on-shelf, thus driving your sales. Our specialist team works on initial concepts through to the finished product and works with you to ensure the timely completion of your project. We guarantee that the product we manufacture is checked for quality at every stage of the process while ensuring the work is completed in the required timescale, giving the client peace of mind that any launch dates or deadlines will be met.

We assure you that we can work as per your systems and meet all your requirements. Hence we request you to give us an opportunity to meet you personally to present ourselves.

Quality Standards –

- Tight fitting lid and leak-proof sealing.
- Tamper evident locking.
- Available in attractive shapes and designs.
- Corrosion-free, rust free & no contamination.
- Excellent stacking strength.
